

**Today's Oil Heat,
It's Better Than Ever!**

Congratulations!

Is doing their best to turn “The Big Apple” into “The Big **GREEN** Apple.”

By visiting our website and learning all about energy conservation and how to make wise environmental choices in New York City, it is our honor to grant you this certificate.

Don't forget to share this certificate – and all the things you've learned –
with your parents, friends and teachers.
